Dear Sirs

REQUEST FOR A COPY OF THE MANASE REPORT

1. We refer to the above mentioned matter and your letter dated 12 March 2012, which we received via facsimile on even date. We thank you for your prompt response to our letter.
2. We are aware that the report is not yet in the public domain, however, the purpose of our letter was to effectively request that you provide us with the report and that you put it in the public domain. We believe that the parties mentioned in the report have been given an opportunity to respond and therefore, in our view, the *audi alteram partem* principle has been complied with.

3. It is our further view that this report is the result of an investigation and not a finding of guilt and should thus be made public.
4. Please be advised that pending your further response to our letter, we intend to apply for access to the report in terms of the Promotion of Access to Information Act No. 2 of 2000.
5. We trust you find the above in order.

Yours Sincerely
